5. 12:40 – 12:50      **Q&A Session**

CoachMe is a feature within the Bookshelf platform that provides Inclusive Access generated study questions as you read through the content.

Did you know that this feature was available?

Did you use the feature?

6. 12:50 – 1:00      **Ending Comments**

Are there additional areas where the platform can be improved?

Are there features that you use from other platforms, not present in Bookshelf, that you feel would provide value to our students?
